 This year has been great. Thank-god it's
 over. Sizem's class has been almost fun.
 You really have been a great person to know.
 Good Luck through the years.

DEAR Melinda,

 times at Steamboat (know what
 I mean) Hope to see you next
 ski year. LOVE
 Rodney

It's been fun in lit this year,
well, most of the time anyway.

you walk across stage and
don't forget to write to
Jordie Wong - Have fun next
year - Mary Woodcock

Melinda, this says reflects indi-
viduality. I feel like you show
a lot of it in everything you do.
I hate seems to keep throwing us
together. I'm really glad.
Make your own kind of music, sing your
own special song. Remember
Make your own kind of music, even if
nobody else sings along. That's where
we really got to know each other.
You & I are very dif-
ferent people. It's nice to
know people can always
get together. I'll remember
you always. May God Bless
you & keep you always. I
wish you success in all that
you do. Pam Brazz.

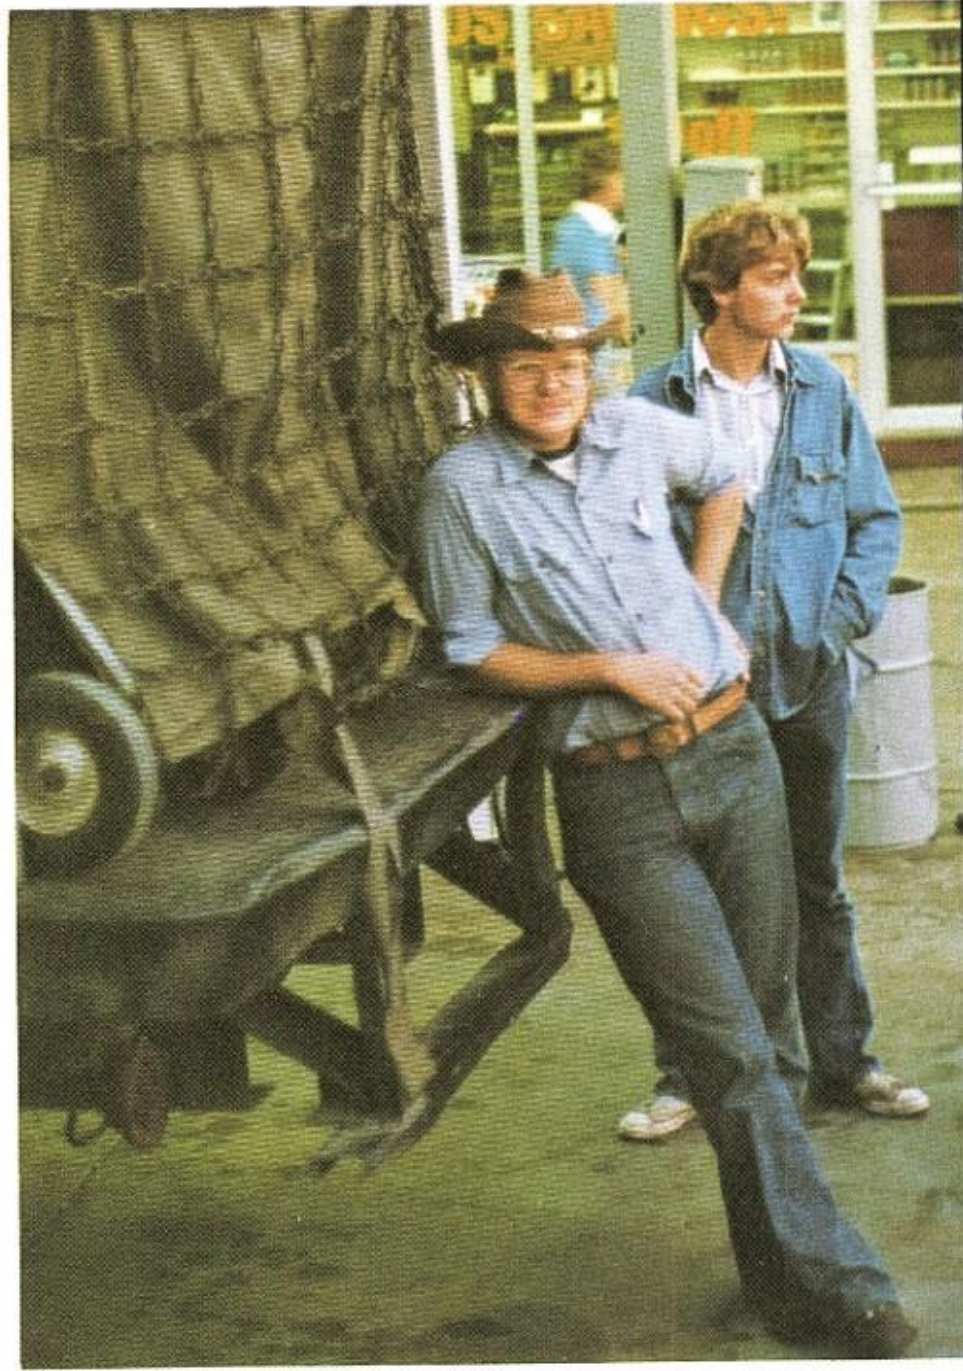

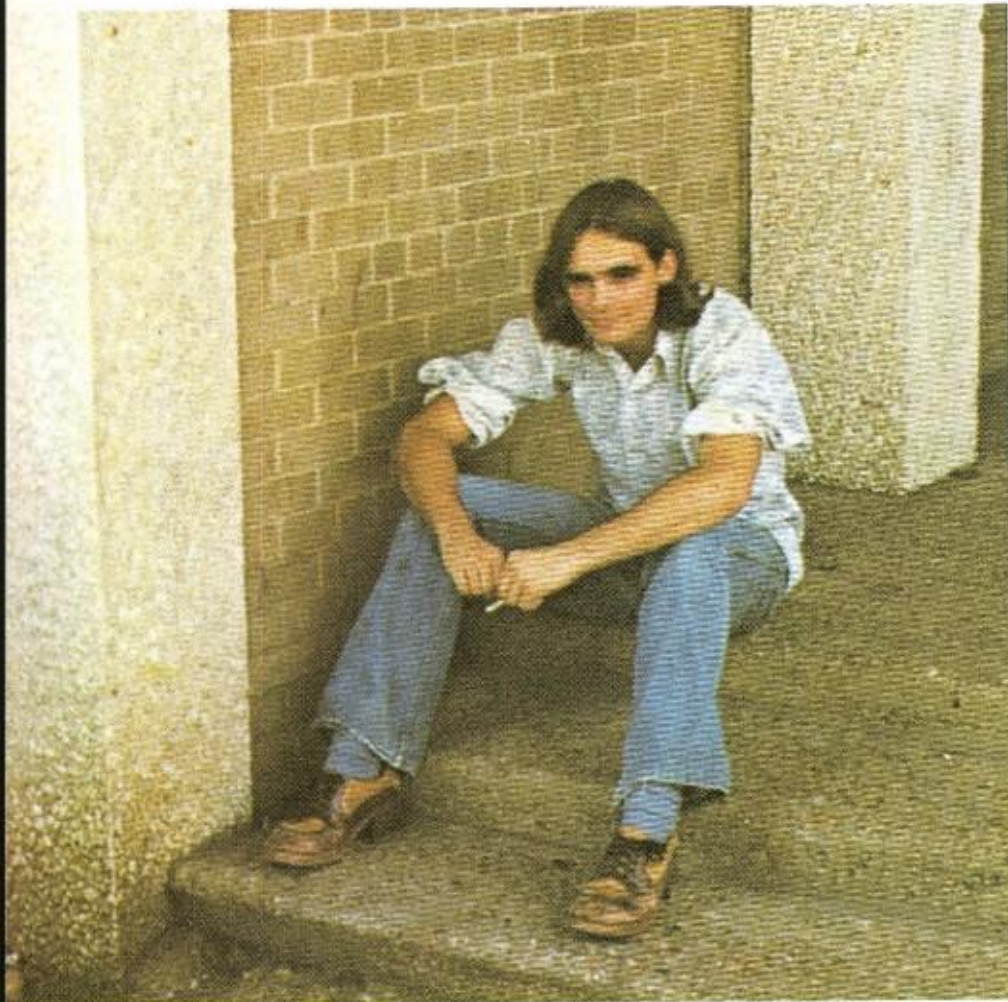

Melinda,
waint it
fantastic, the entire
year was a blast.
Hope you had a great
time. Have a fun summer.
Many memories
Randy A

Melinda,
 Can you believe
 it's finally over???
 twelve long years of
 dullness. It's gonna be
 exciting next fall in new
 surroundings & new people. Good
 luck with Keith! (Whatever your plans
 may be) I'm going to miss you. The
 musicals won't be the same without
 you. All that talent...
 God Bless you,

Melinda,

I've truly enjoyed getting to know you so much better this year. You've been a wonderful friend and I really appreciate it. We've had a lot of great times and I thank the Lord for wonderful people like you. Please, keep in touch!

Mel,

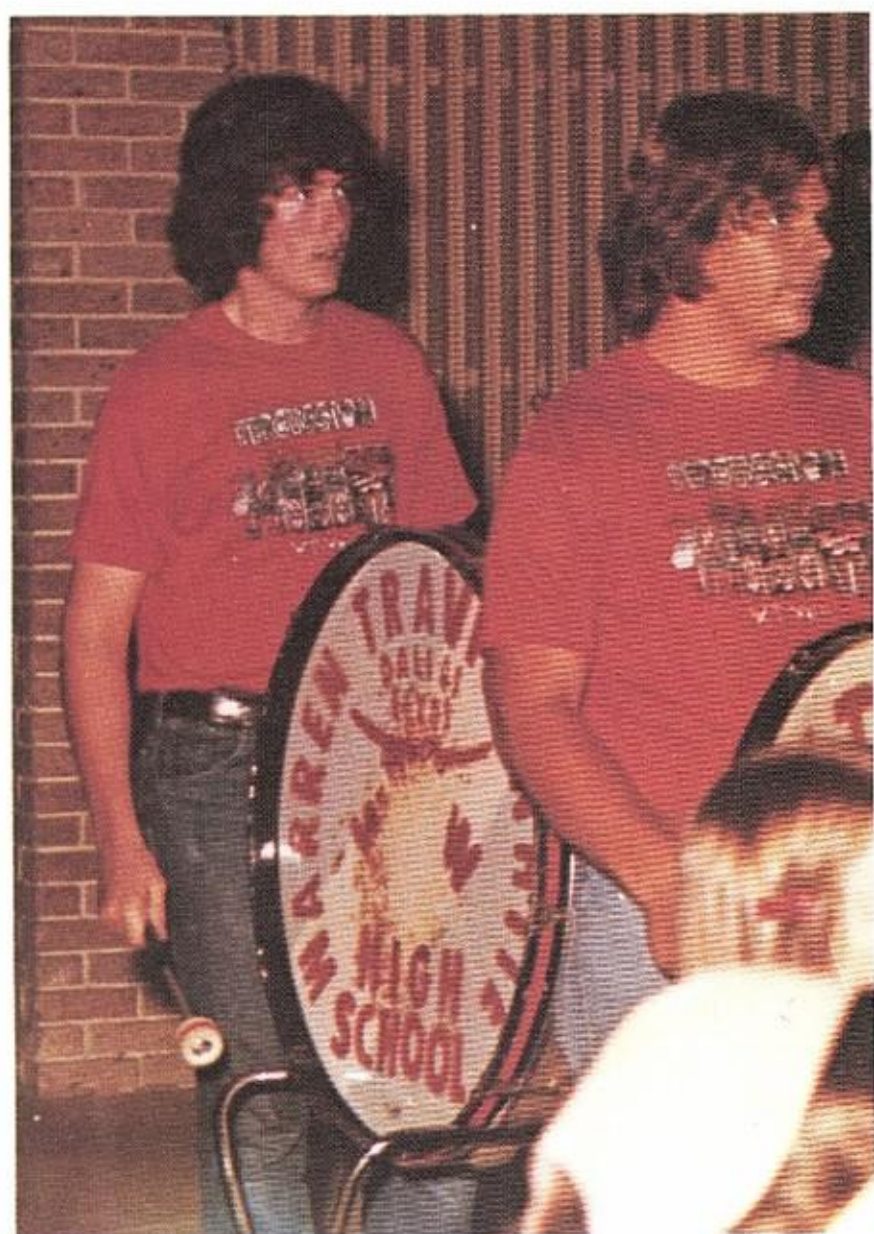

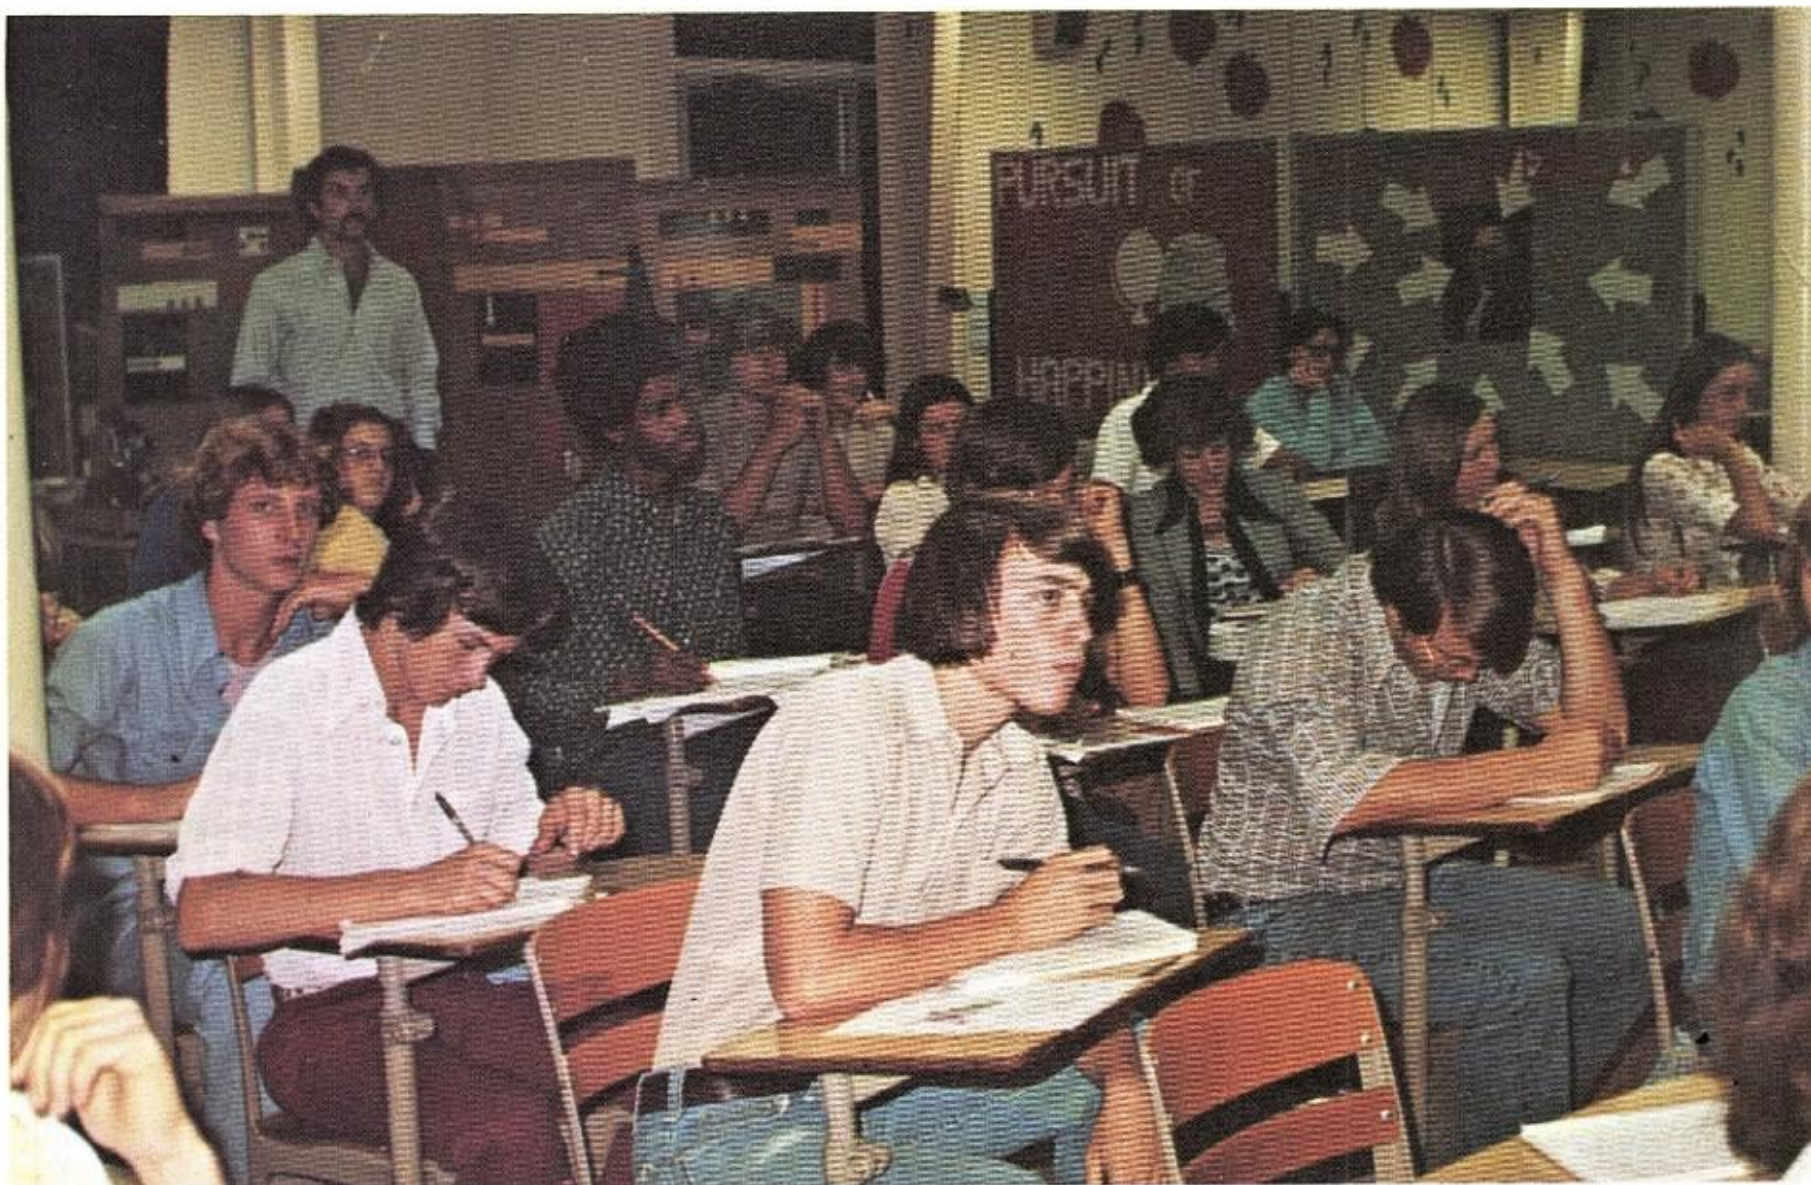

It's really been great getting to know you this year and I had so much fun rooming together in Galveston. I'll never forget you. Good luck and Take Care.

I do my thing and
 you do your thing.
 I am not in this world
 to live up to your
 expectations. And
 you are not in
 this world to live up
 to mine.
 You are you,
 And I am I,
 And if by chance
 we find each other,
 It's beautiful.

Dear Mel, It's been really far-out being in choir with you this year and I'm really gonna miss ya. We never did get around to doing what we both thought we oughta do but if you give me a ring sometime maybe we can still do it. May the future bring you love and wisdom. Love Ya,
Susan Bergert

Exchange Student Comes to White

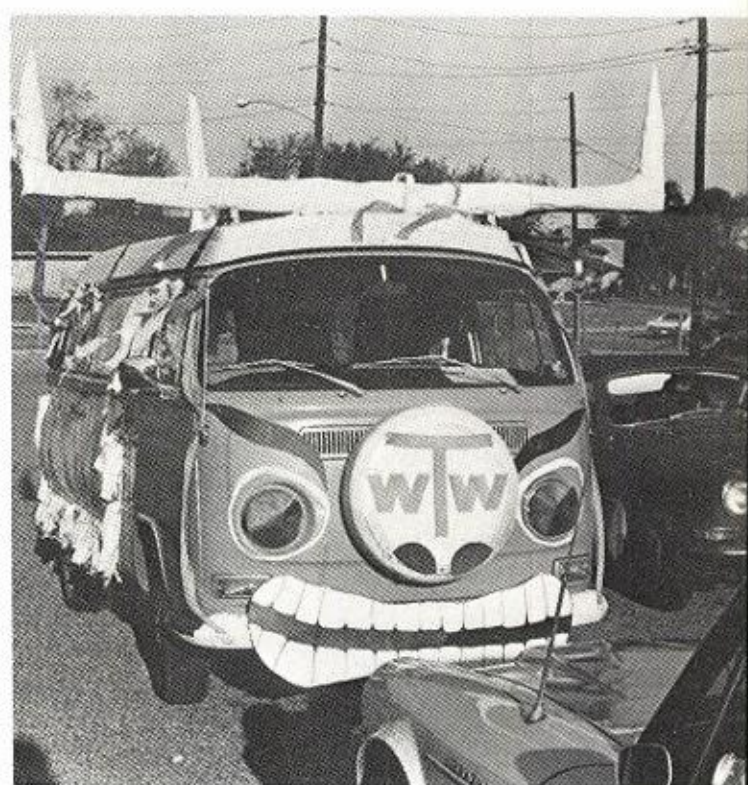

Jukka Packalen, from Finland, visits White with the International Christian Youth Exchange Program.

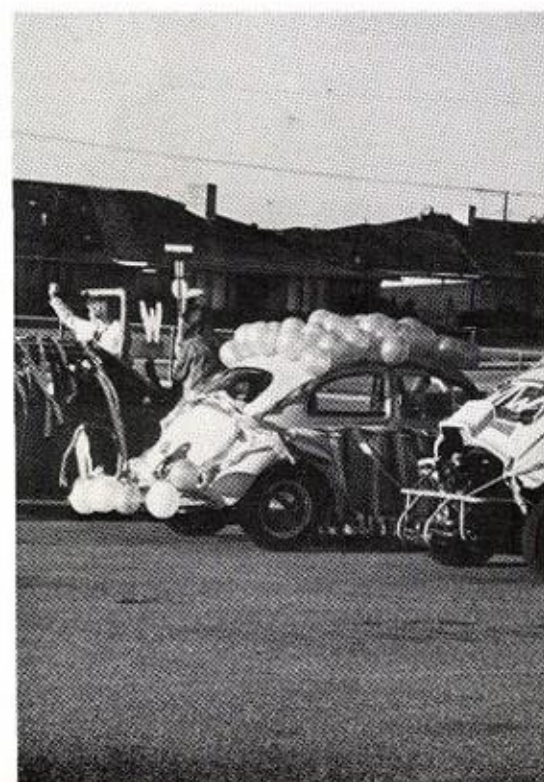

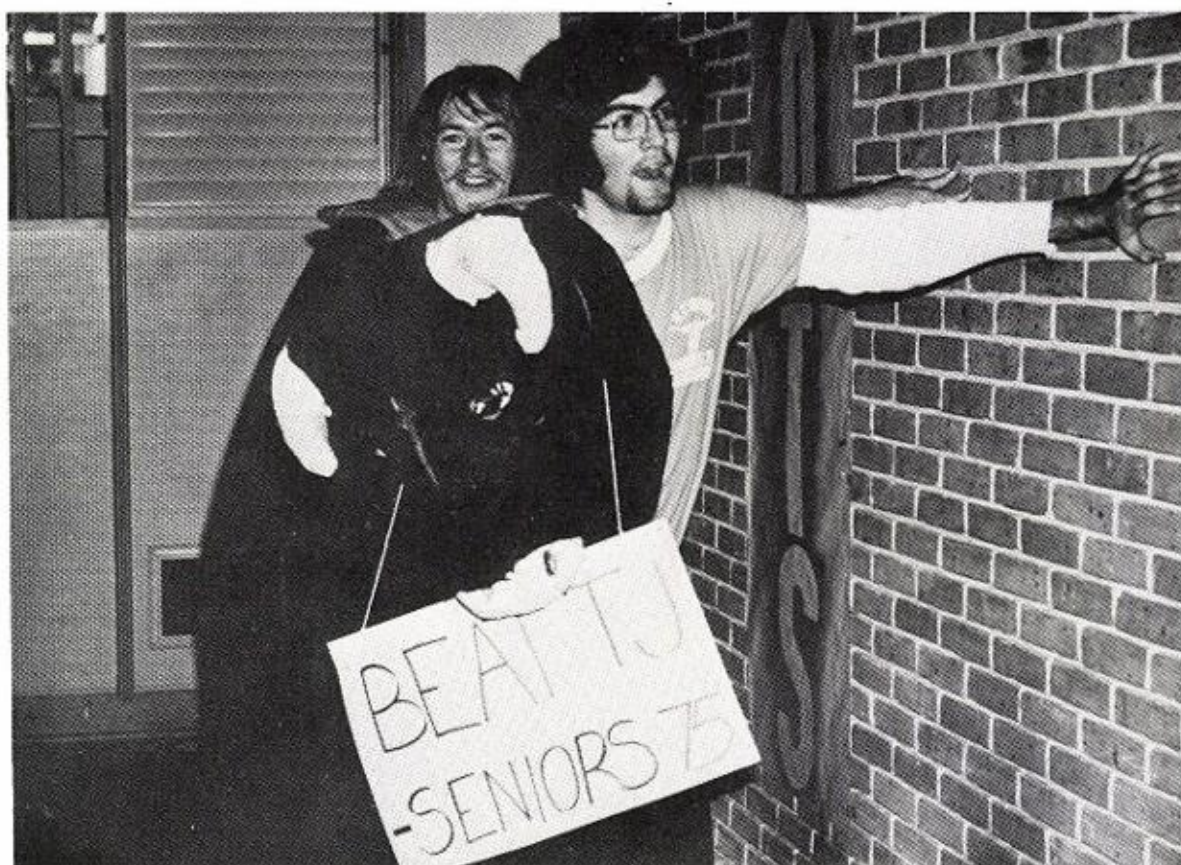

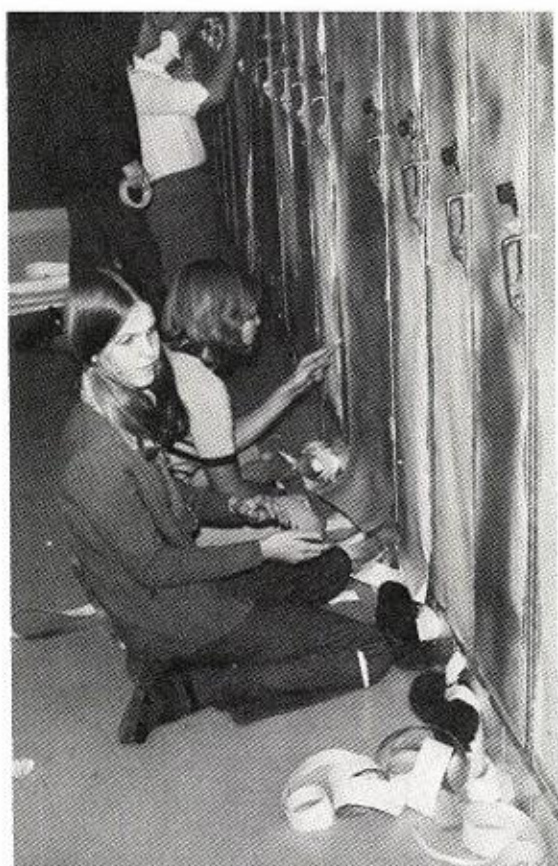

Homecoming Week Stirs Up Activities

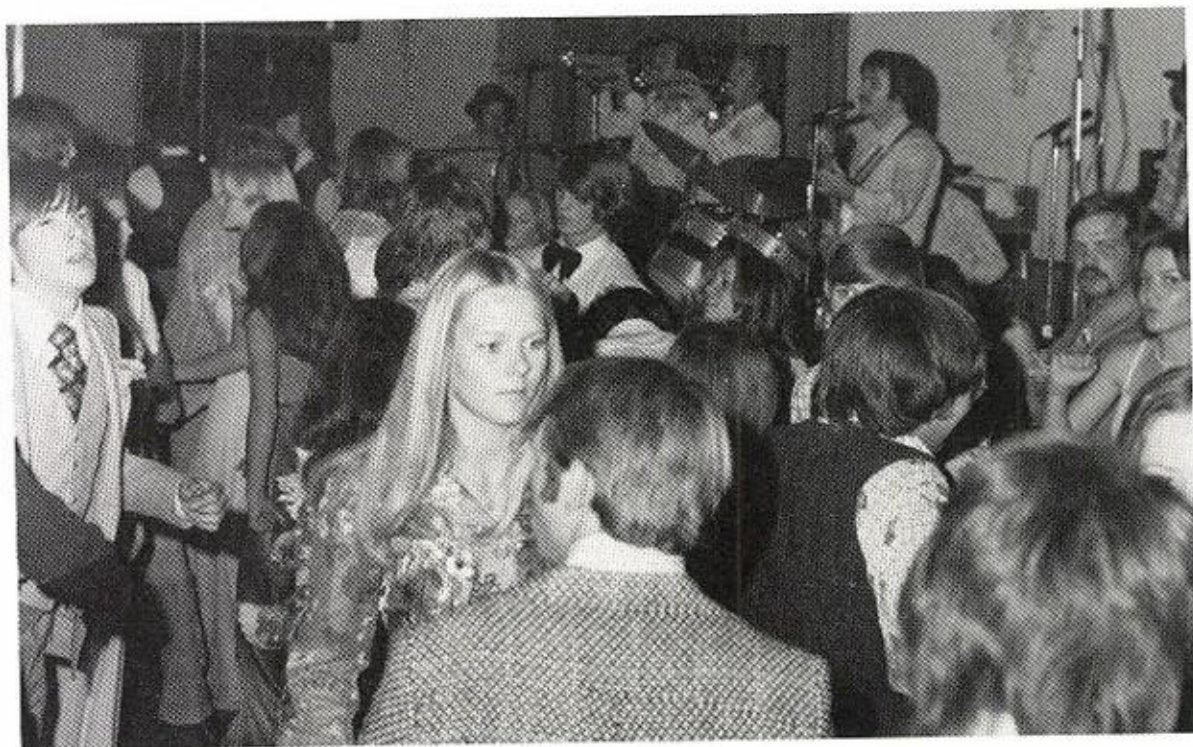

Excitement mounts throughout homecoming week: Wranglers decorate the halls — Western Day — balloon sales — car decoration contest — alumni coming home — and finally the big game itself.

Everyone Prepares for Homecoming

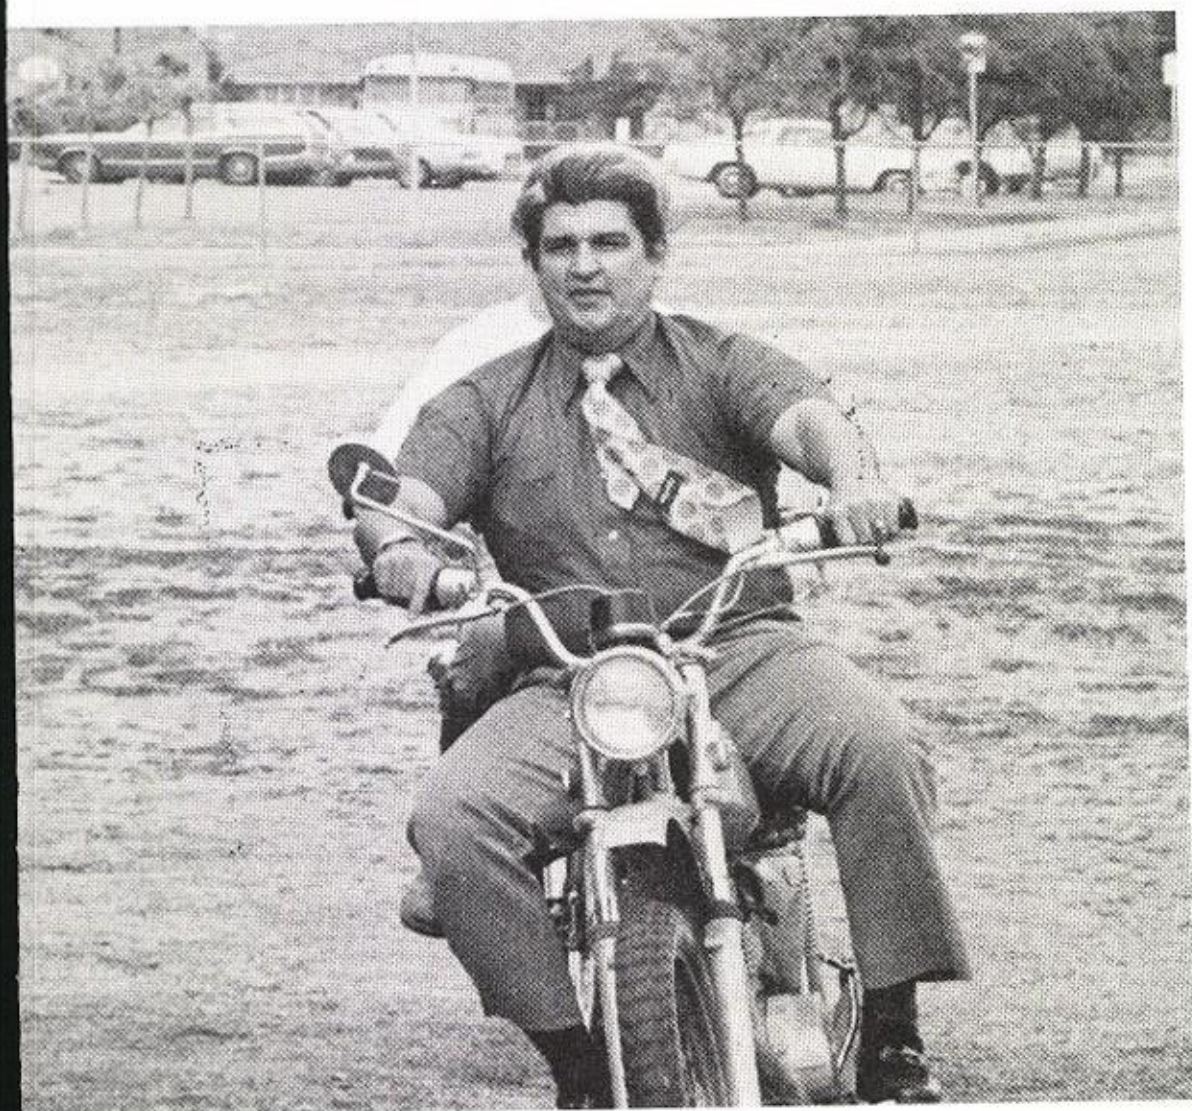

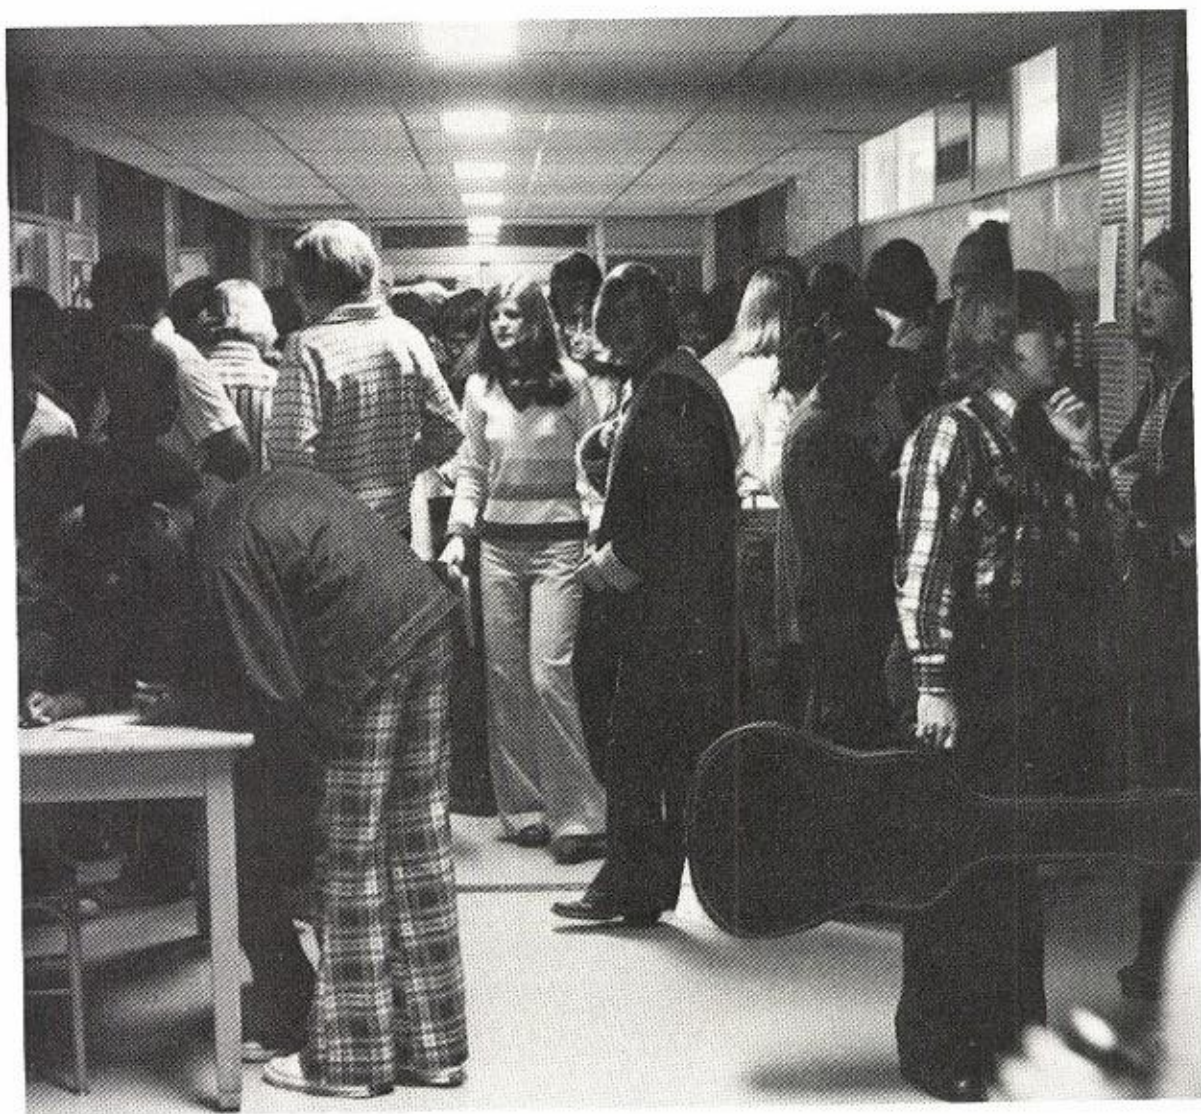

Students Discover New

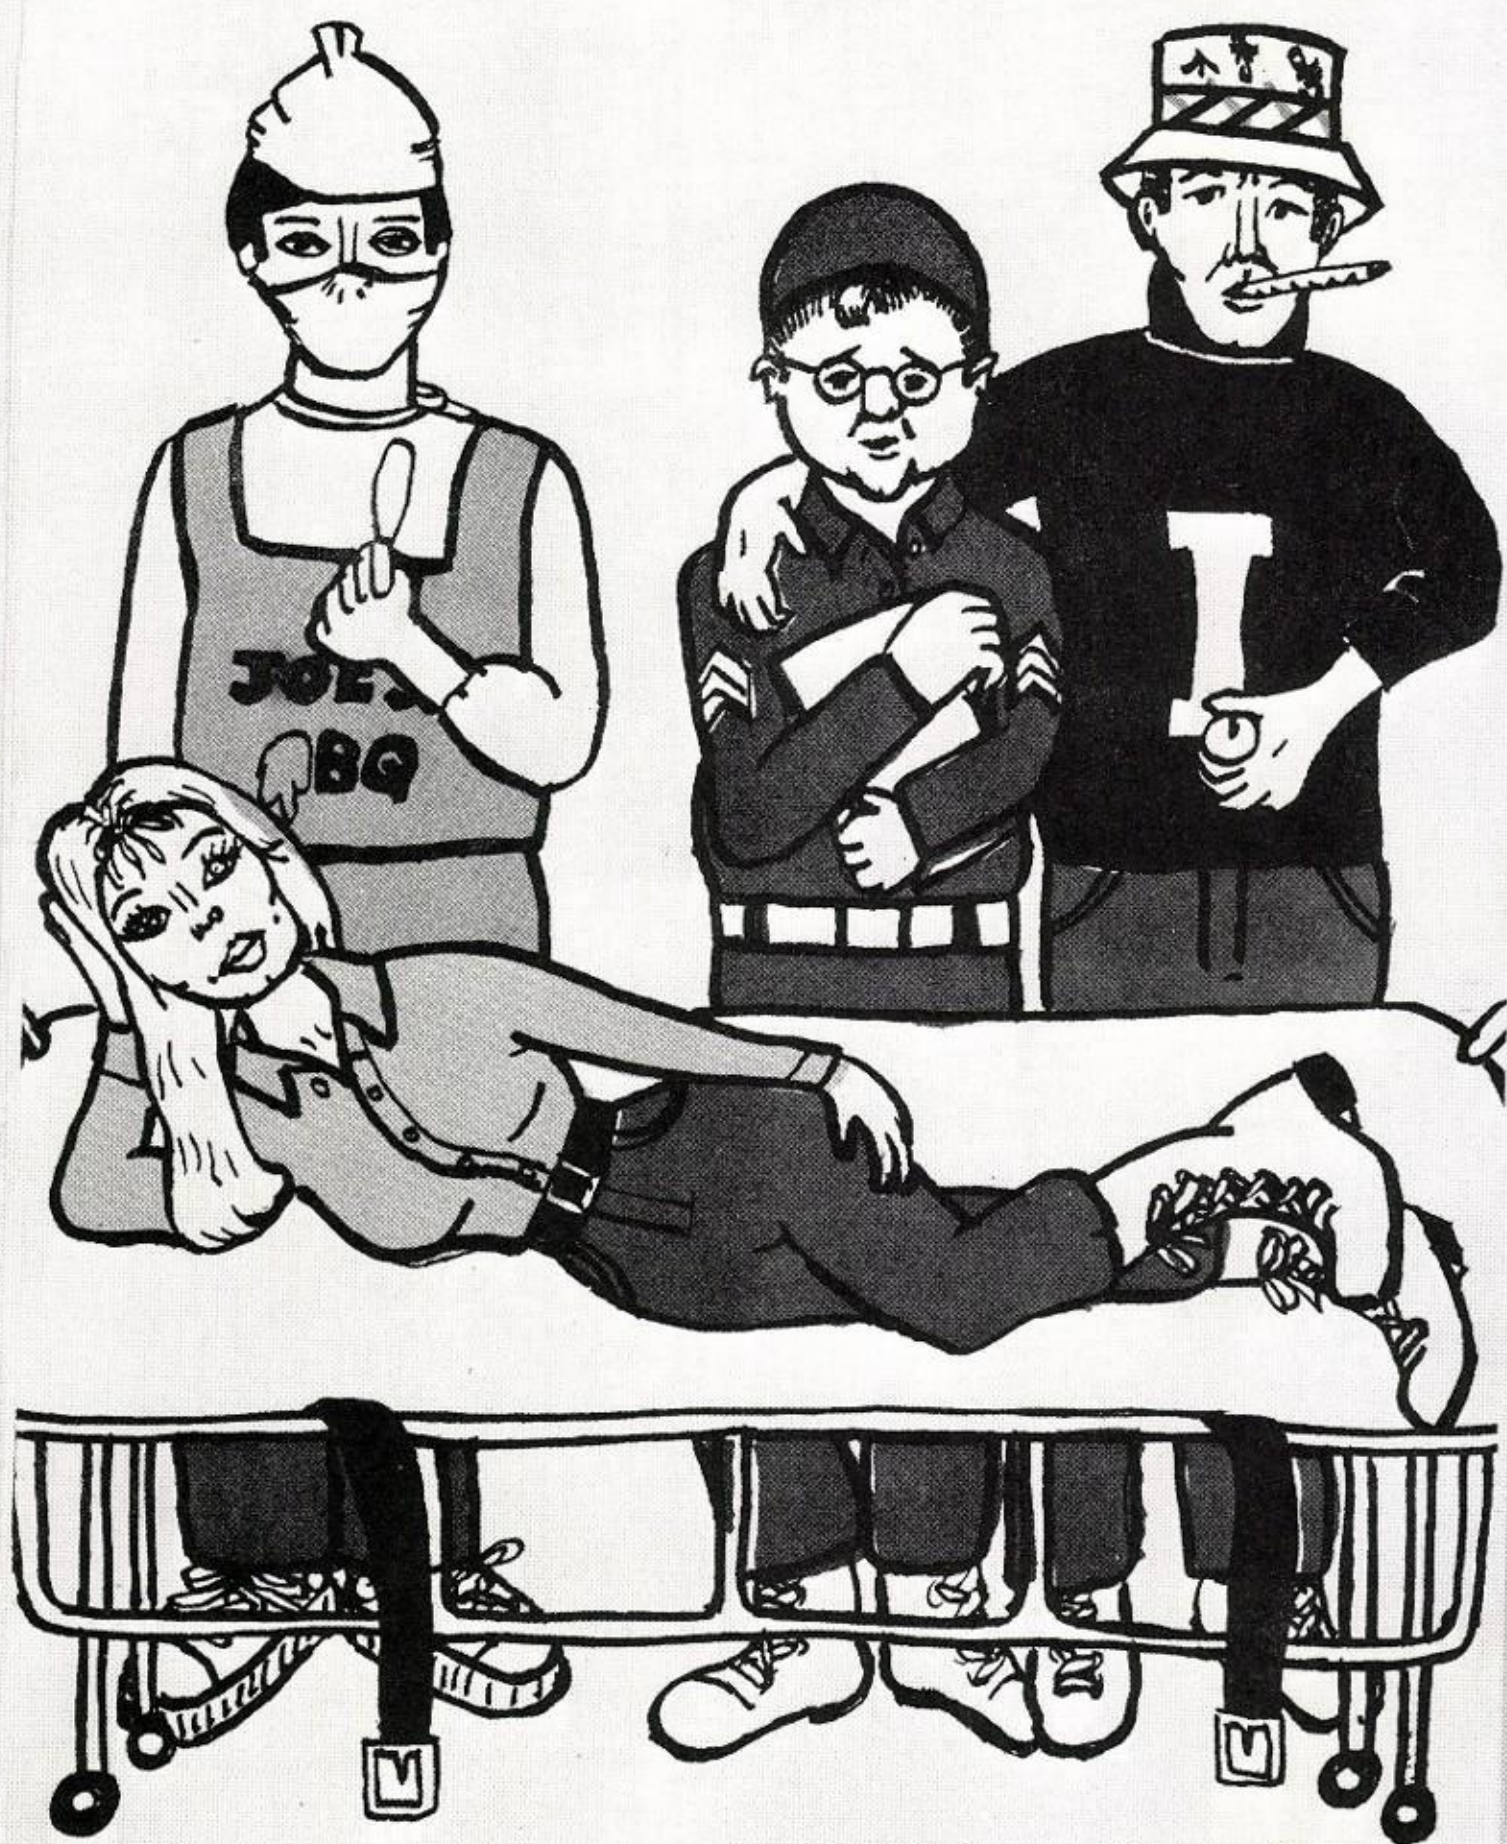

On January 29, the second annual project SCAN (Special Courses All New) was held. The Student Council sponsored activity is designed to have beginning instruction in fields of study not normally offered in the regular curriculum. The approximately seventy-five courses included everything from stick-shift to astrology. SCAN, this year, proved to be an outstanding success.

Longhorns Kick Off Victorious Season

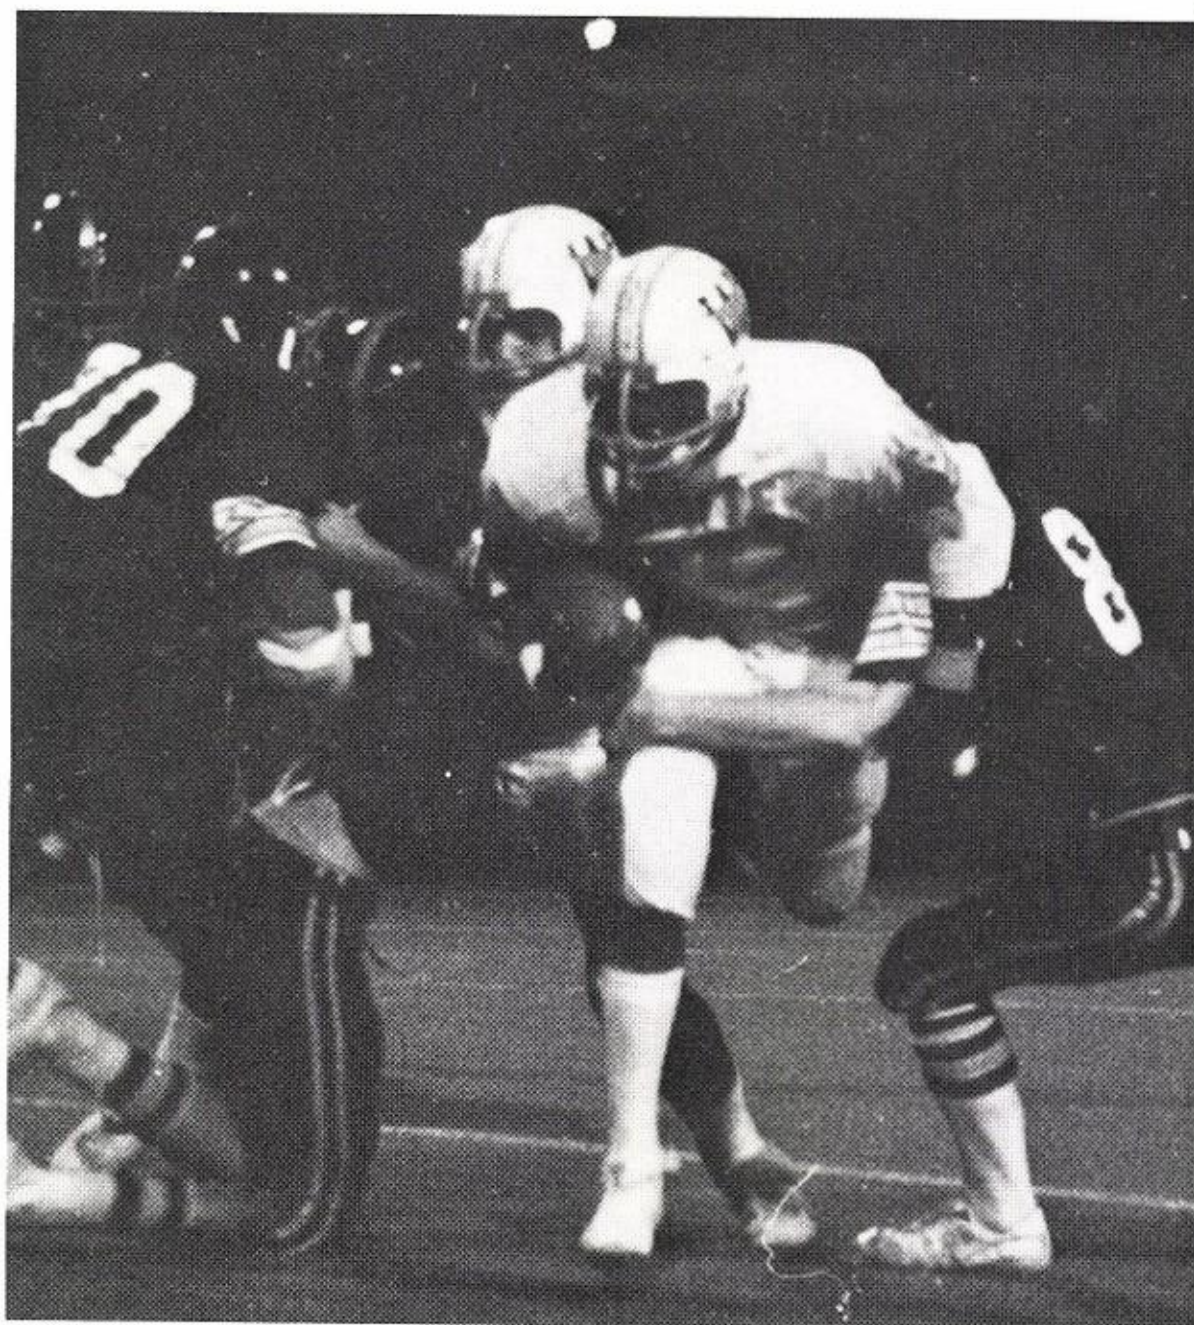

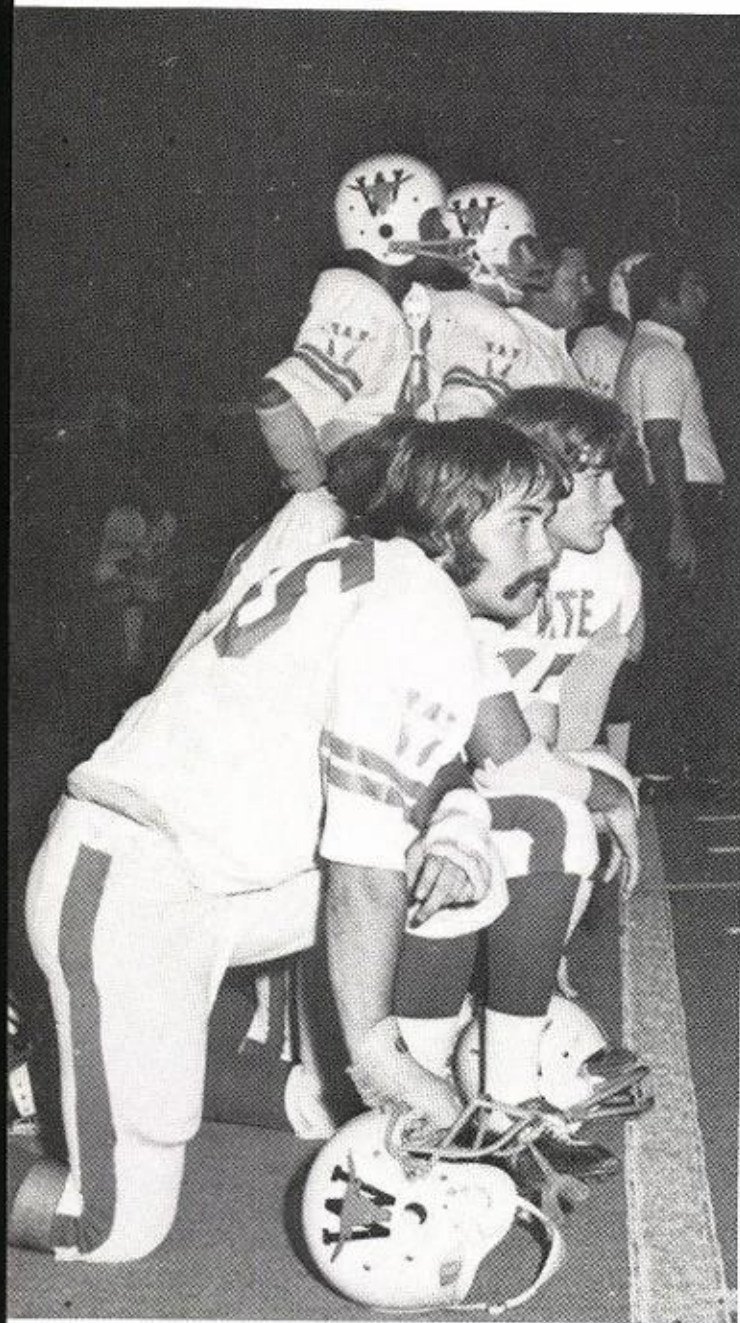

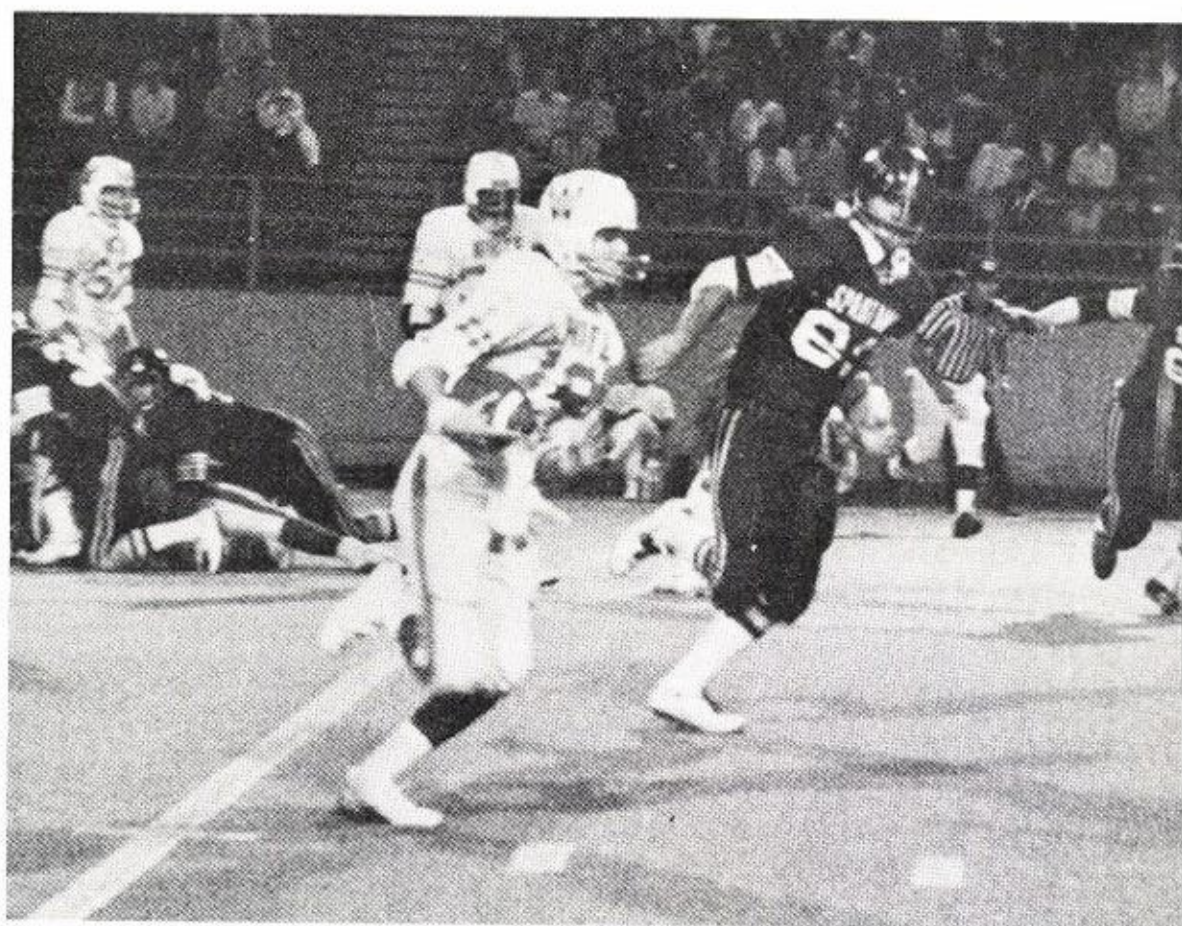

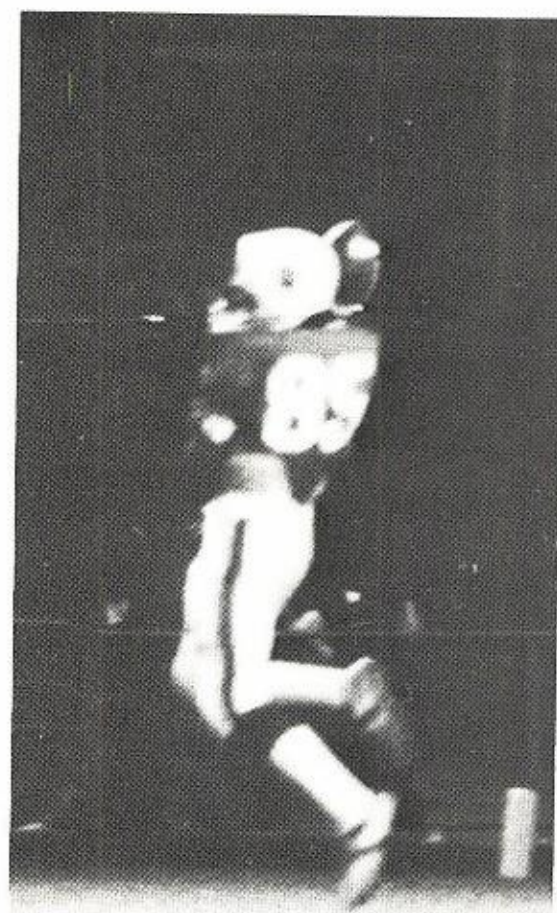

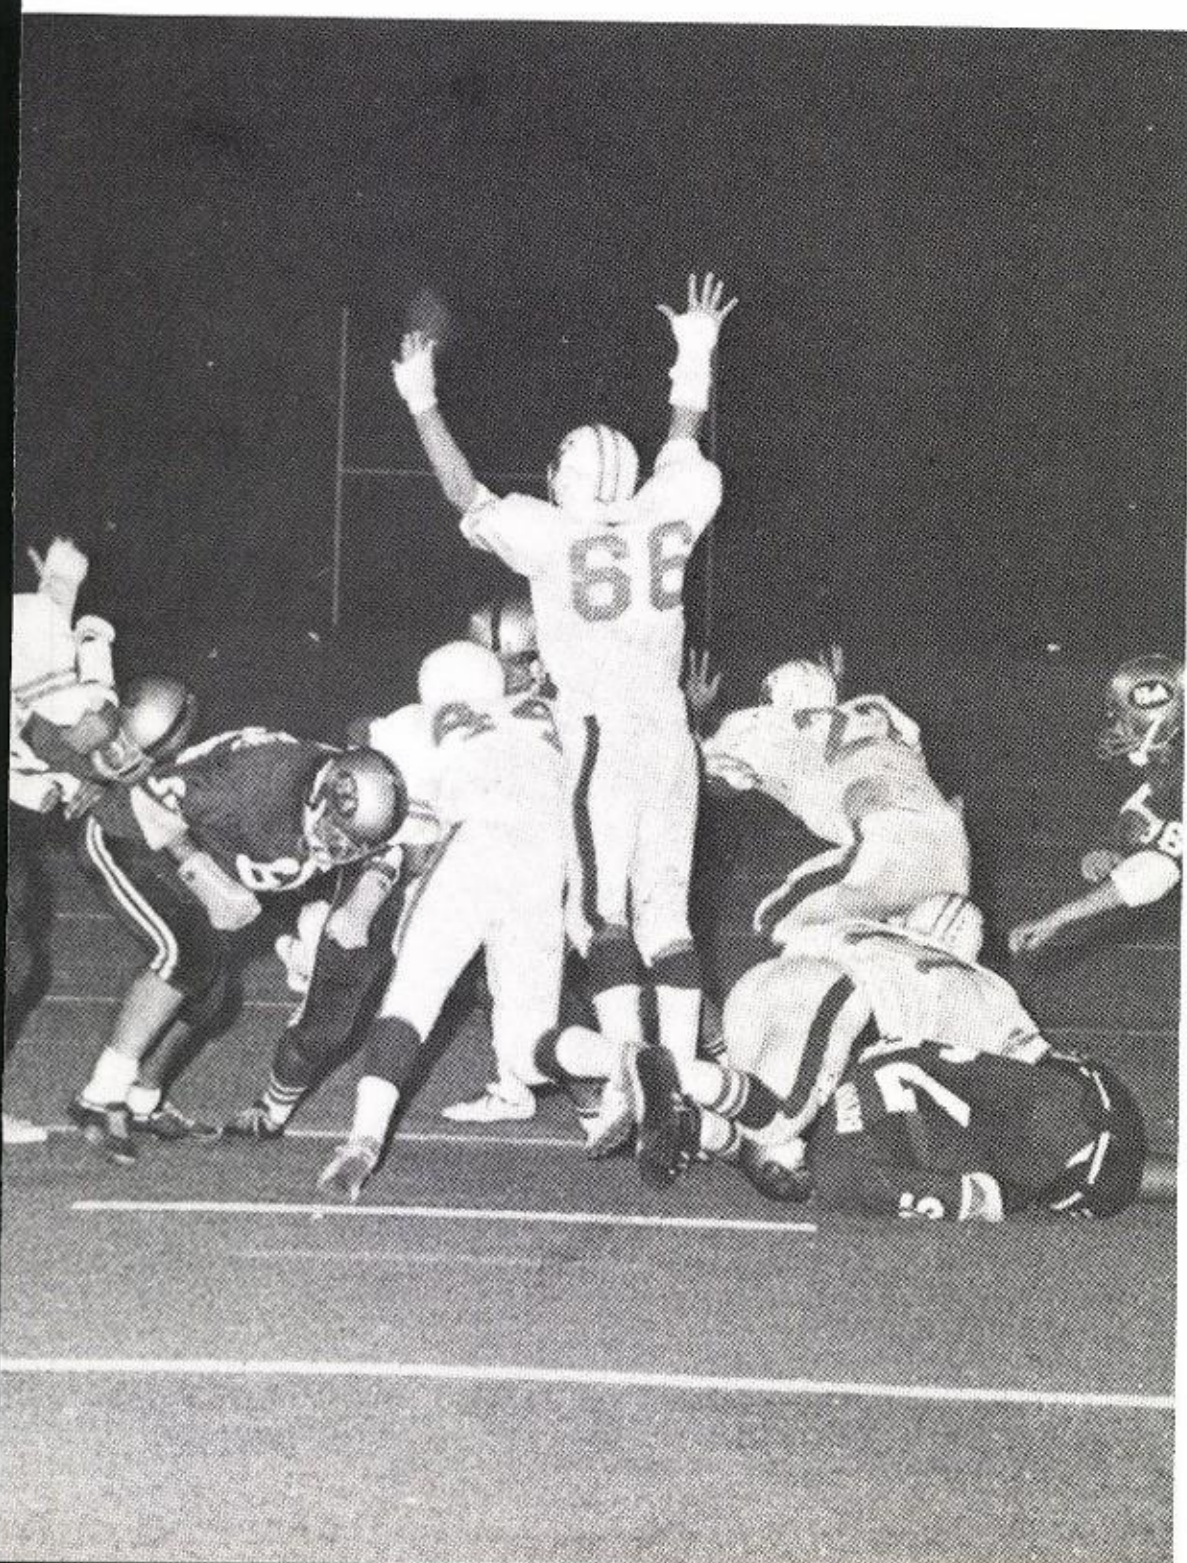

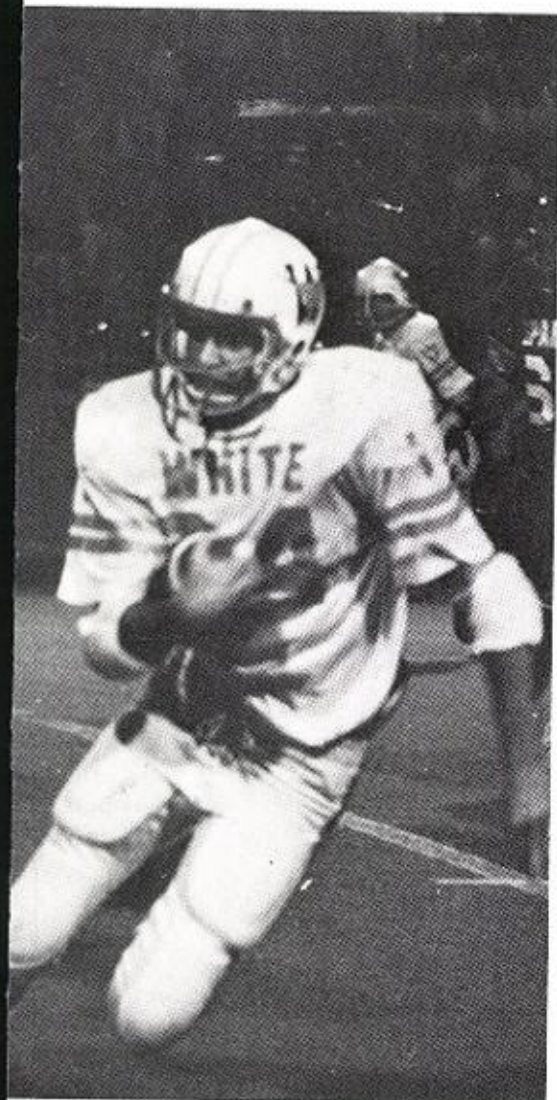

Longhorns Work Towards the Top

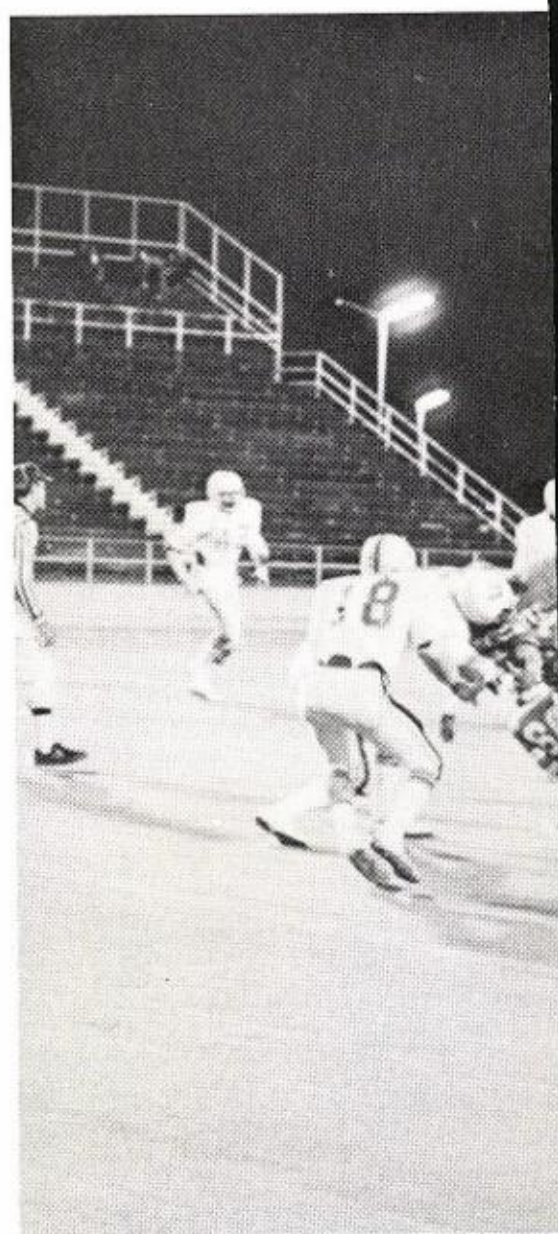

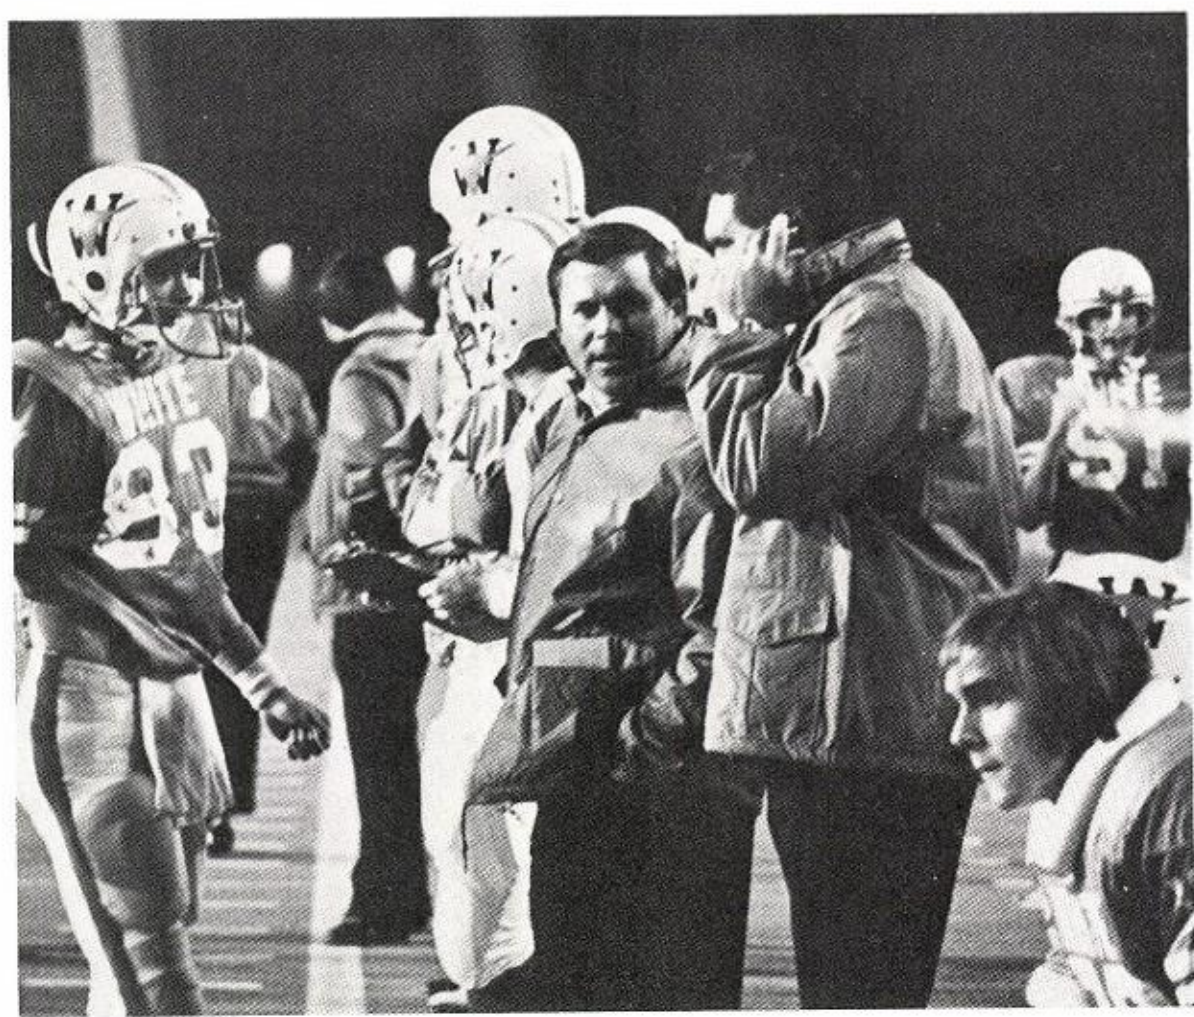

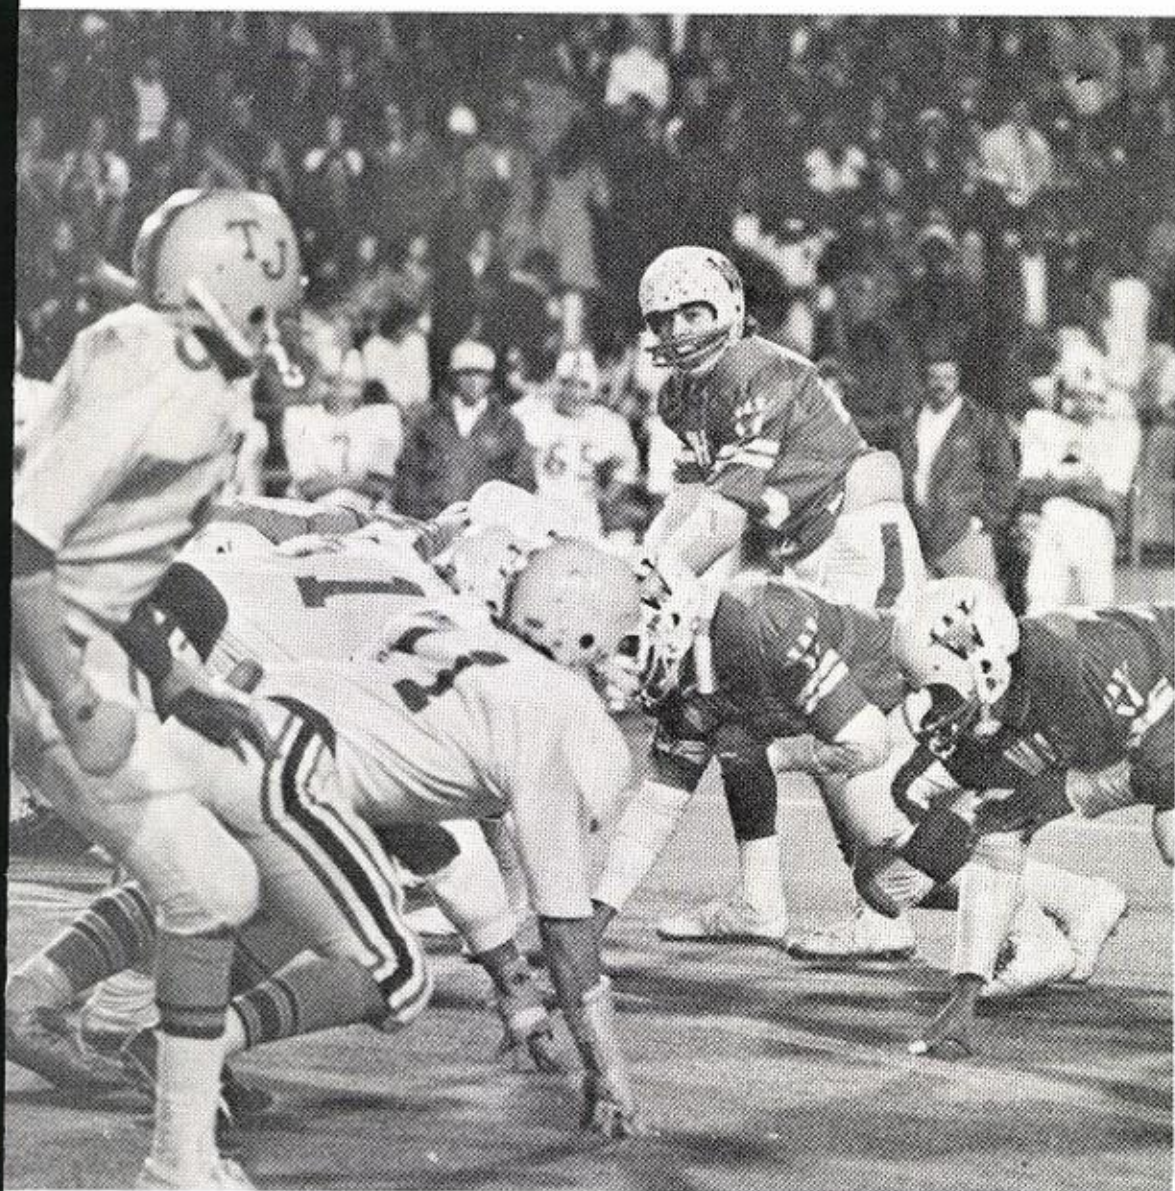

Horns Exhibit Spirit of Victory

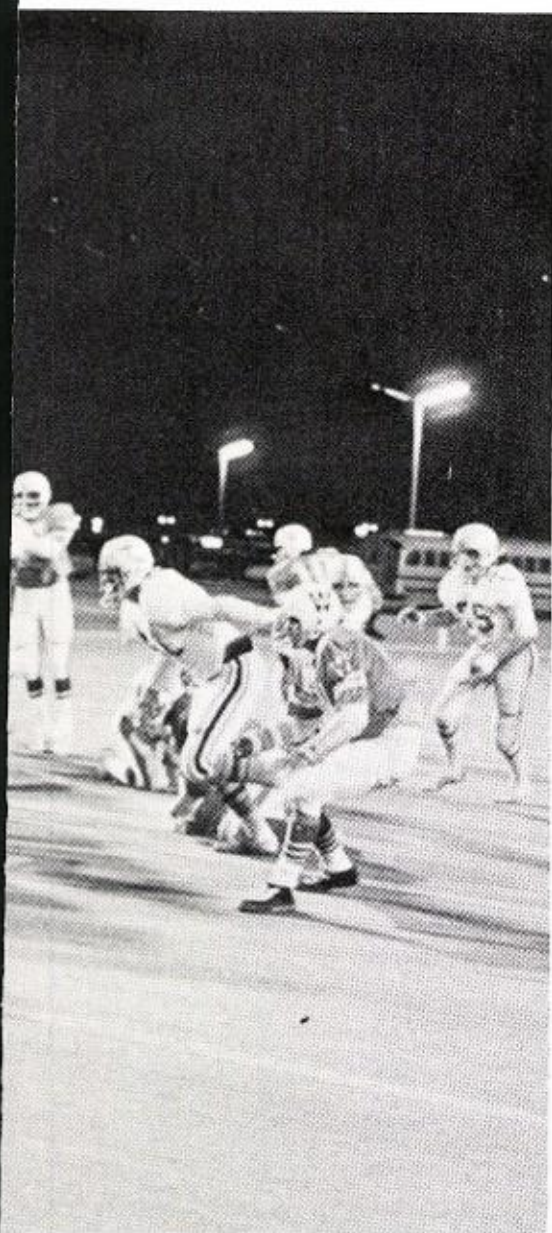

Excitement Marks Homecoming

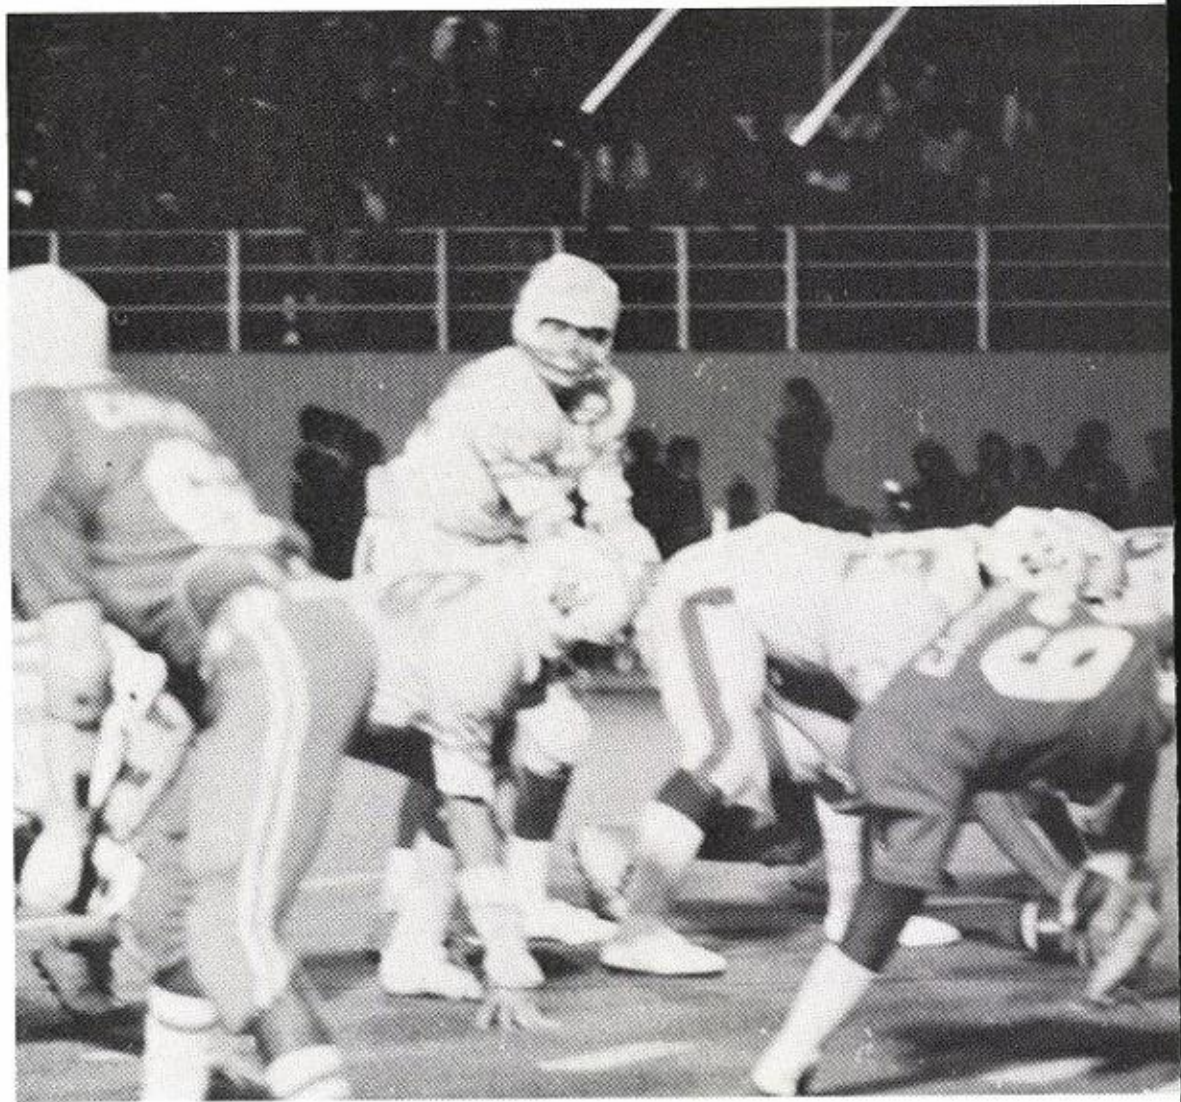

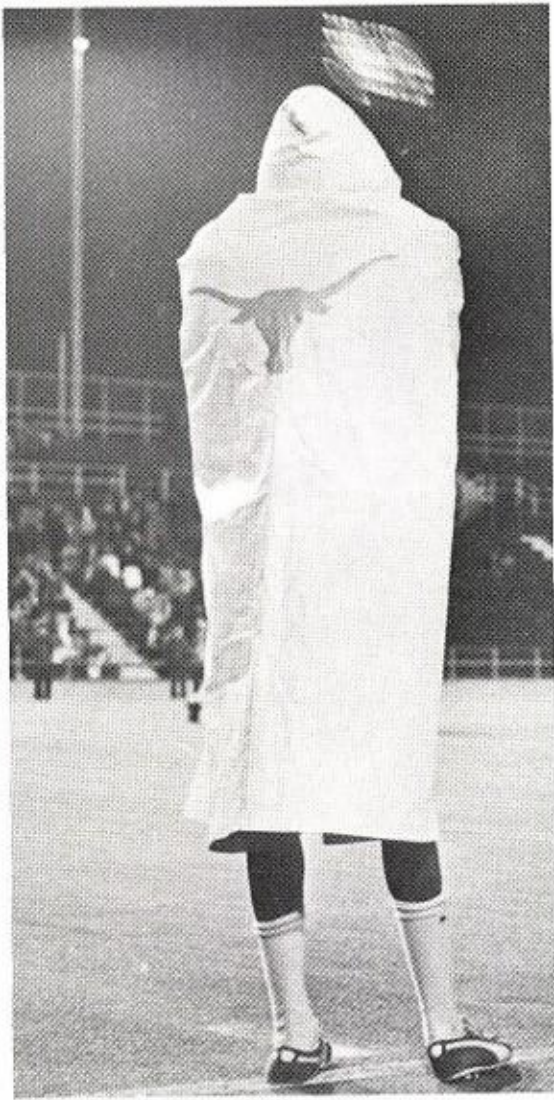

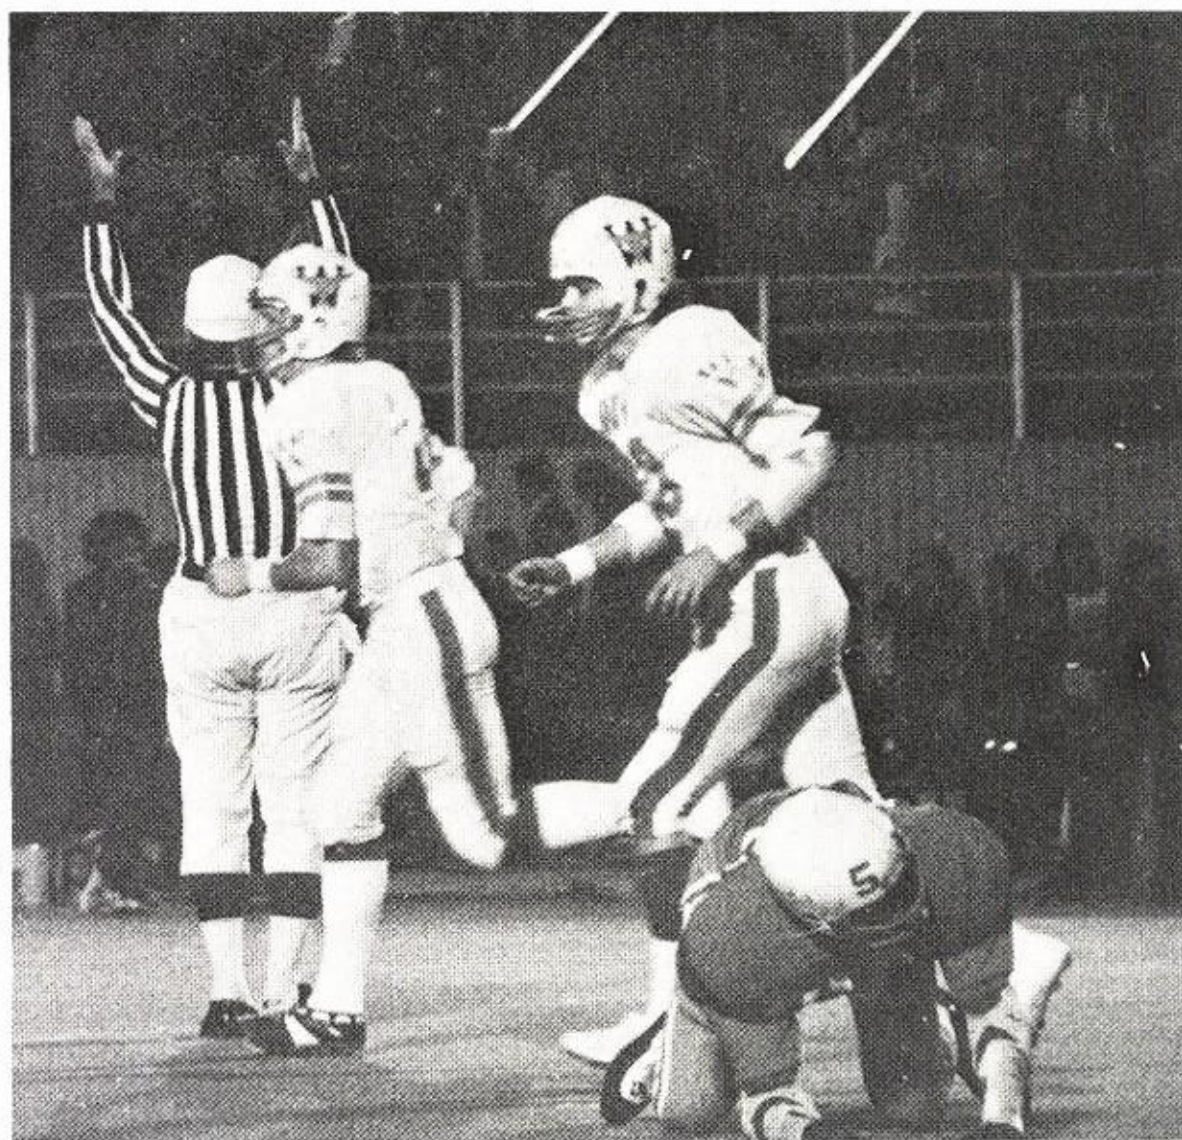

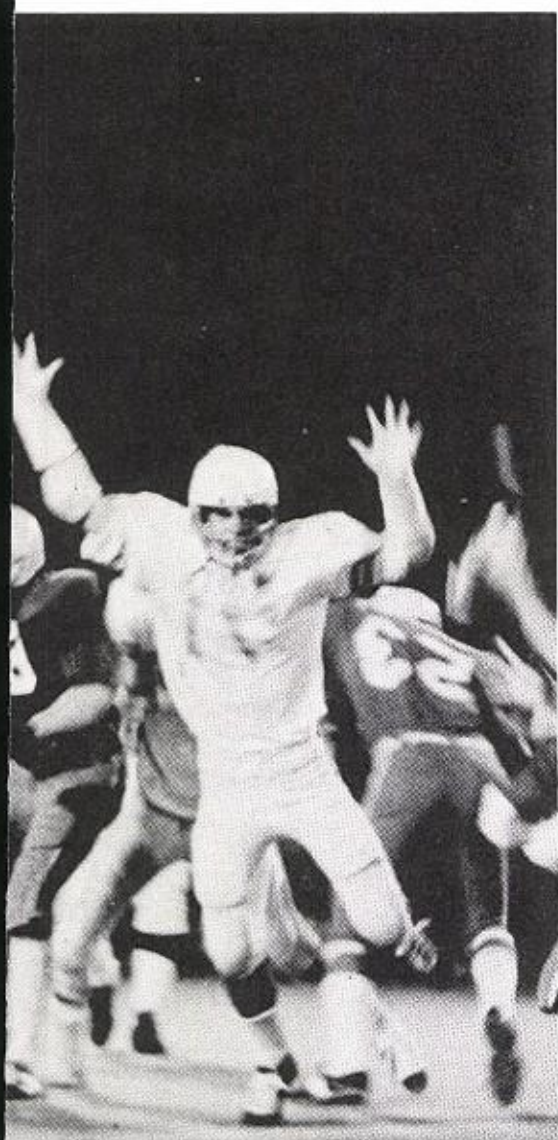

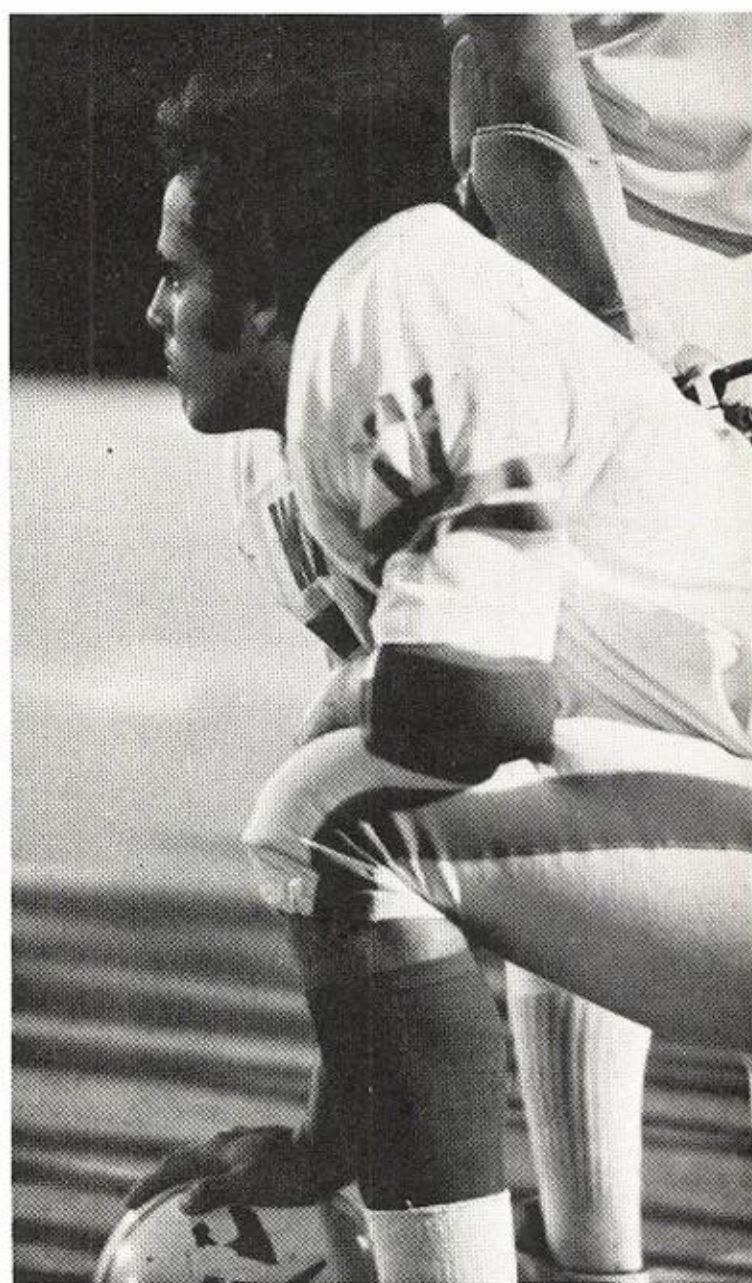

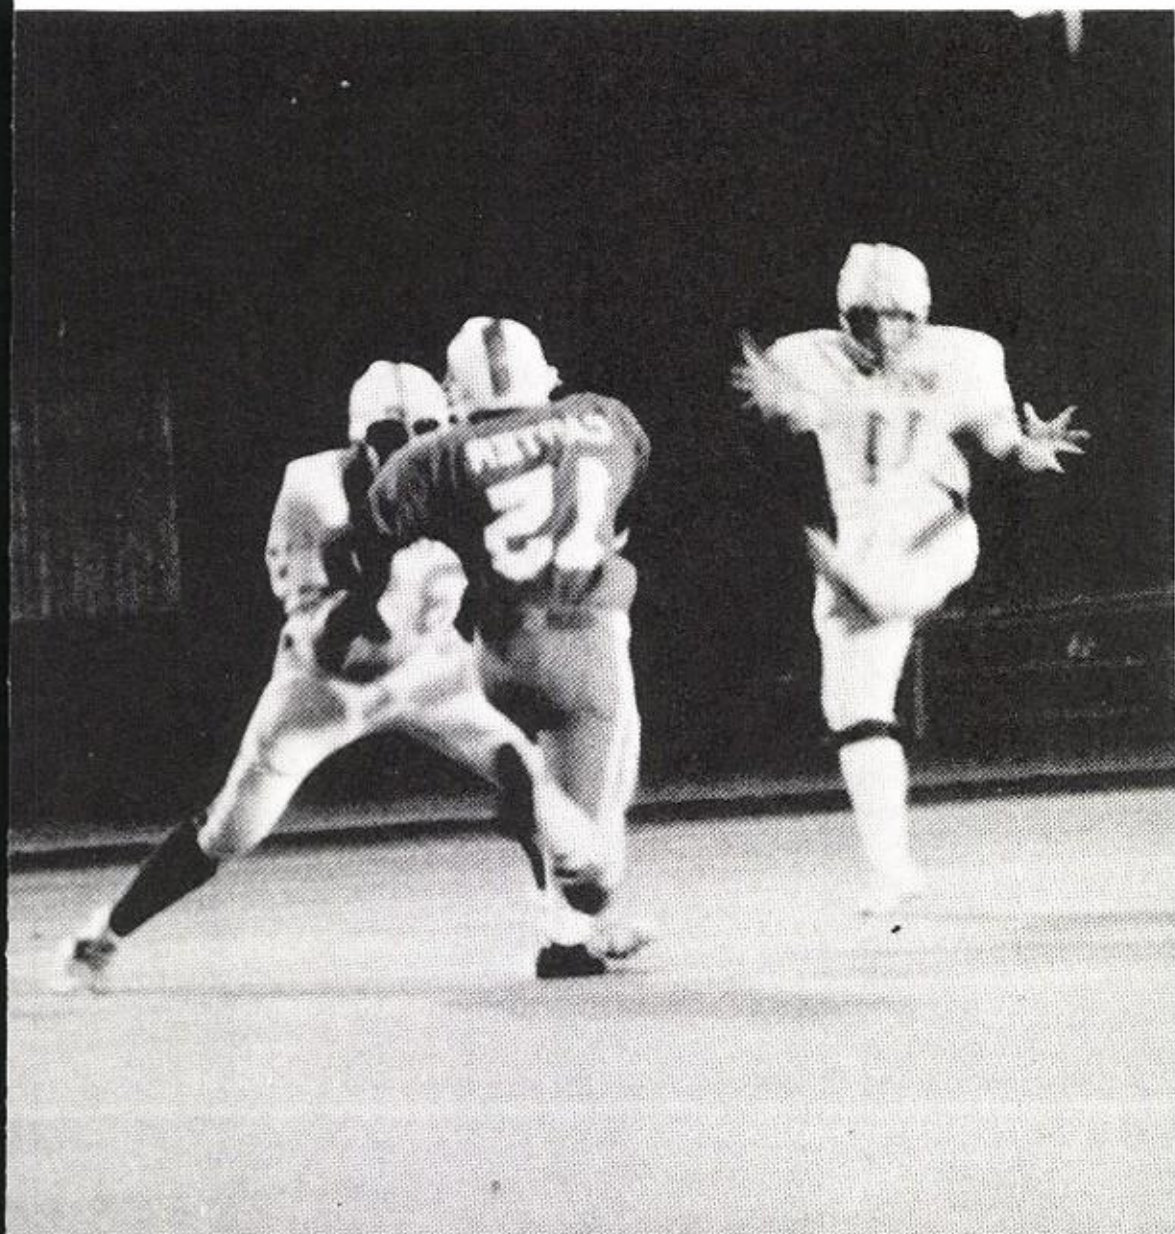

Although the W. T. White Longhorns got off to a slow start in the early part of the season, this was no indication of the things to come. After losing to Lake Highlands 21-3 and tying Tyler Lee 6-6, the Longhorns beat Spruce 22-6 in their first district game. Their skill and talent became more apparent as the 'Horns went on to beat Lincoln 48-16; Skyline 16-6; and Samuell 42-0. White stomped the Bryan Adams Cougars in a 56-32 victory and went on to spoil the Hillcrest Panthers' homecoming with a 24-0 victory. With the 9-3 win over Woodrow Wilson, the Longhorns, for only the second time in the history of W. T. White, captured the District 11-AAAA Title. Disappointment struck as the 'Horns were defeated 19-7 at the T.J. Homecoming game. In the game for the city championship, the Longhorns played the Carter Cowboys, winners of the District 12-AAAA Title. The hard fought game ended in a 7-7 tie and for the first time ever, the W. T. White Longhorns gained the title of Co-City Champions.

Hey! Wait a minute...

You forgot something. When you left the room, your electrical appliances were still operating ... to no one's benefit.

Lights on when there's no one around; music playing when there's no one to listen; air conditioning when there's no reason for it; that's inefficient, and inefficiency costs money.

Using electricity efficiently is something we all need to think about these days. So take a minute to turn off appliances when they're not in use. You'll be making a wise move.

Youth to Youth — Allied Youth

Youth to Youth is a teen counseling program aimed at stopping drug and alcohol abuse. After having completed training, Youth to Youth members visit local elementary and junior high schools in groups of three to four. There they talk to the students and offer positive alternatives to drug and alcohol abuse. Youth to Youth members give encouragement and build many meaningful relationships with the students. Youth to Youth is the first program of its kind and was started three years ago at Warren Travis White.

Don't walk behind me — I may not lead.
Don't walk ahead of me — I may not follow.
Just walk beside me and be my friend.

Dear Melinda,
Well honey can you believe that after twelve long years of school it took us just one week at Conference to become close? I look back on all the things that happened in our three years at WTW - Dallas Theater Center, Lila Lola, Thespians, Sr. Play, and everything else and say hey - that was fun but my major memories are of this one week. Together we have gone through so many changes and experiences that I just can't describe my feelings. I guess I should tell you that I love you very much. I realize that it's time to start a new life - facing the adult world, and that's hard to do. You were there to help me with some of my fears about school and life in general as well as some understanding and a good ear about this sudden break with someone that I love very much!! I can't thank you enough for all your encouragement! I mean, after all, who else could have taught me to sing on key in just one week? Melinda - you have insight and sincerity that I know you can use in life. Always remember what we learned this week about loving and caring for others. I know you will carry and apply that love for others throughout your life. I could probably fill another page but I don't have that much time. I'll think of you and pray for you next year at OU! You have many talents to offer in music - so get out there and use them! Please keep in touch next year - you've got a friend! You have it made babes - this is just the beginning for us! See you as a ~~Counselor~~ Counselor!

Lots of love

Melinda,
The couldn't have
made it through Saluston without
your help (Really). Melinda, you are
so talented in music I know you will
do well in that field. I also want to
thank you for having the quality of pulling
people together when the goin gets rough as in
(and, Saluston). I wish you all the success and
happiness in the world. Good luck at all.
always,
Margaret

mel,
It's been fun(?) in
drama and surprisingly
enough, you didn't say
anything about me being
a cop. I'm going to miss
you and all the other
animals next year. School
just went in the camp.
Best luck in the future
and come back and see
me, O.K.? Love always,
-Candy Flump
